

SHORT CV

IOANNIS EMMANOUIL
Professor of Mathematics, NKUA

Personal: I was born in Athens, Greece on 1967. I am married and have 3 children.

Education: I studied mathematics at NKUA and graduated with 1st class honours on 1989. I continued my studies in mathematics at the University of California, Berkeley and received a PhD on 1994.

Academic positions: I worked at the University of Michigan in Ann Arbor as a T.H. Hildebrandt Research Assistant Professor (1994-97) and the Institut des Hautes Etudes Scientifiques in Bures-sur-Yvette (1997-99). Following my return to Greece, I did my military service and was then hired by the Department of Mathematics of NKUA as an Assistant Professor (2002). I was subsequently promoted to the rank of Associate Professor (2007) and Professor (2012).

Administrative experience:

- Dean of the School of Science of NKUA, 2018-21 and 2021-
- Chairman of the Department of Mathematics of NKUA, 2012-14 and 2014-16.
- Vice-chairman of the Department of Mathematics of NKUA, 2008-10 and 2010-12.
- Member of the Senate of NKUA during 2004-05, 2014-16 and 2018-
- Member of the General Assembly of the Hellenic Academic Libraries Link, as a representative of NKUA, 2016-
- Coordinator for the practical training of students at NKUA, 2019-
- Member of the Provisional General Assembly of the Department of Business Administration of NKUA, 2019-21
- Chairman of the Steering Committee of the Graduate Program *Mathematics Education and Methodology*, 2012-16.
- Vice-chairman of the Steering Committee of the Graduate Program *Business Mathematics*, 2007-23.
- Chairman of the Placement Exams Committee of the Department of Mathematics of NKUA, 2016-
- Member of the Board of Directors of the Hellenic Mathematical Society, Treasurer 2017-19 and 2019-21, President 2021-23.
- Member of the Board of Directors of the Hellenic National Exams Organization, 2020-

Teaching: I teach Algebra at the undergraduate as well as the graduate program of the Department of Mathematics of NKUA. I have co-authored two undergraduate algebra textbooks (in Greek). I have supervised 5 PhD and 9 Master theses in Algebra. At present, I supervise one PhD student.

Research: I have written numerous research papers in Algebra, as well as a monograph published by Springer. I have been invited to lecture in Universities and participate to conferences in Europe, USA and China. I have been awarded a prize by the Academy of Athens.

Research funding: I have been the PI of projects funded by the EU (Marie Curie, 2011-13) and national resources (HFRI 2019-23, "Aristeia" 2012-15 and ENTER 2006-08). I have been a member of the research group of the project "Pythagoras", 2004-06.
